## SELF-QUARANTINE PROCEDURES

We do appreciate you for staying at Karen Inn and Suites. We do care about you and your loved ones and that's why we have set a few covid-19 measures and guidelines so as to protect you, other guests and staff from the virus.

### STAY AT HOME

Limit all travels, unless going out for food, medicine and other essentials

**CHECK YOUR TEMPERATURE**  
at least two times a day

### WATCH OUT FOR OTHER SYMPTOMS

COVID-19 symptoms include fever, cough, difficulty breathing, and fatigue

## **PRACTICE SOCIAL DISTANCING**

If you need to go out, maintain at least 2m (6ft) distance from others

## **WASH YOUR HANDS WITH SOAP AND WATER**

You can also use alcohol or hand sanitizer

**STAY IN A DESIGNATED ROOM**  
and use designated toilet/bathroom if possible

## **CALL YOUR DOCTOR OR HOSPITAL BEFORE VISITING**

If you need medical attention (whether for viral symptoms or other medical care reasons), contact our reception desk or the manager ahead of time so they can prepare and take precautions.

Our taxis will be sanitised  
and after every use.

Sanitizer stations are installed at  
various easily accessible locations  
within the resort for guest and staff  
use.

On arrival, guests' temperature will  
be taken to ascertain their status.  
You'll be required to wear a face mask  
when checking in.

Karen Inn and Suites is now a cashless  
establishment, this is to prevent the  
transmission of Covid-19 in the  
hotel.
